Dear Liz

On behalf of Midshires Search and Rescue, I am writing to thank you for your generous donation of about £70 for the talk given by Elaine Murphy to the Bedford Ramblers.

As you are aware, we are very dependent upon donations such as yours to enable us to continue our important work of assisting the police in searching for vulnerable people. Your contribution will go towards ensuring that our members are able to respond to the requests from the police 24/7 throughout the year.

Thank you once again.

Yours sincerely
