Dear John

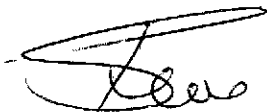

Donation

On behalf of the Group and, particularly the committee, I would like to thank you and your fellow ramblers for raising £125.80 during a walk on 10th November, and donating the sum to us. Please pass on our thanks to all who took part.

You may also like to mention to them that all monies raised are put towards our PSA testing days which cost us £18.50 per person and that this year we have carried out two such days, one in Dunstable where we tested 83 men and the latest one on October 26th when we tested 596 men. At a similar event last year we tested 429 men so our total so far is 1107. Of these, 56 men were identified as having a significantly raised PSA level and 41 with a level which is marginal and should be watched. Hopefully, we have helped a lot of these men by detecting the cancer early and giving them a chance to cure or manage the disease.

I would also like to take this opportunity of thanking you for your willing help and support to the committee as well as to the Group.

Vert best wishes

Steve
